

RCCHC Donation Release

I, _____, understand that all monies submitted to Riverside Community Church, either personally or on my behalf by a third party, are part of a fundraising effort for an outreach trip. The individuals donating will receive a tax credit from the IRS for these donations and therefore they can not be refunded per Riverside Community Church policies and general 501c3 guidelines.

If you are unable to attend an outreach trip that you have fundraised for there are two alternatives; either defer the funds until another trip becomes available or you can go back and thank your donors. Let them know that even though you are no longer able to attend the trip, the mission of our international partner is one that continues on and the funds that were donated will be used to further God's vision in that country.
